Alluminio / Acrilnitrile Butadiene Stirene

Black Foster è il prodotto che riporta l'acclamato effetto «The Invisible Black» in un'installazione di luce lineare, a incasso isolato, disponibile in versione recessed e trimless. La versione con bordo ha una cornice così sottile che, accesa, è pressoché invisibile e offre un effetto «visivamente trimless». Black Foster si distingue per l'elevata schermatura, l'alto comfort visivo e poiché nascondere quasi del tutto la fonte di luce alla vista.
