### PRODUCT

|           |                                       |
|-----------|---------------------------------------|
| Name      | COCO RECESSED TUNABLE WHITE MEDIUM WT |
| Reference | A5301228WT                            |
| Color     | Textured white                        |
| RAL       | 9016                                  |
| Category  | CEILING RECESSED                      |

### LIGHT SOURCE

|                        |                                         |
|------------------------|-----------------------------------------|
| Type                   | LED                                     |
| Gross luminous flux    | 1010 lm                                 |
| Colour temperature     | 2700 - 5000 K - Other K, please consult |
| Chromatic stability    | MacAdam Step 3                          |
| Colour Rendering Index | CRI > 90                                |
| Power                  | 8,5 W                                   |
| Current                | 500 mA                                  |
| Efficacy               | 119 lm/W                                |
| LED lifespan           | L80B10 > 55.000h                        |

### LIGHTING FIXTURE | PHOTOMETRIC DATA

|                     |     |

### LIGHTING FIXTURE | ELECTRICAL DATA

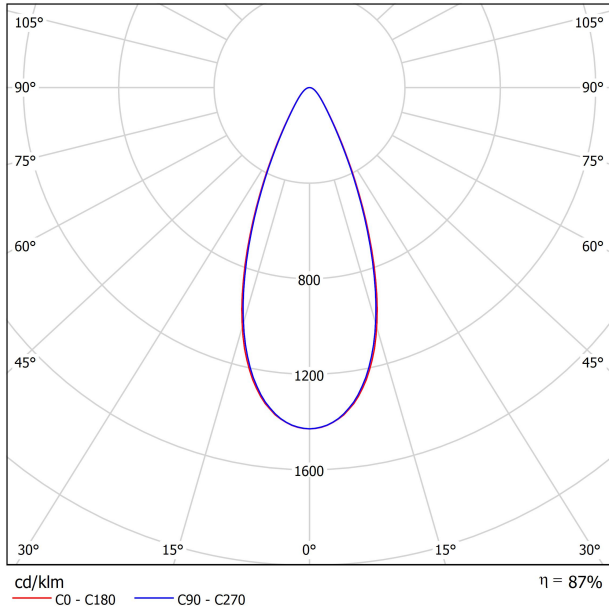

|                             |                                  |
|-----------------------------|----------------------------------|
| Driver                      | Included                         |
| Power values of the system  | 10,90 W                          |
| Frequency                   | 50/60 Hz                         |
| Dimming                     | DALI - Other DIM, please consult |
| Electrical insulation class | □                                |

### OTHER DATA

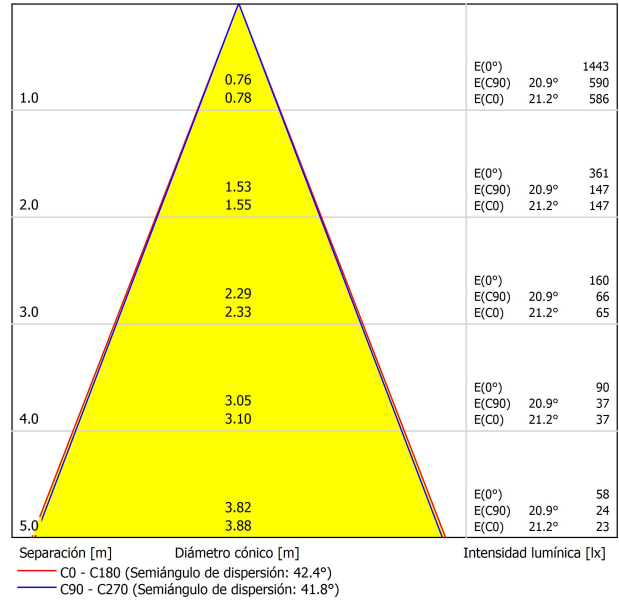

|                      |                                                             |
|----------------------|-------------------------------------------------------------|
| Sealing              | IP20                                                        |
| Wireless control     | Please Consult                                              |
| Recess measurements  | Ø50 mm                                                      |
| Swivel angle         | 90°                                                         |
| Rotation angle       | 350°                                                        |
| Weight               | 385 g                                                       |
| Packaged weight      | 477 g                                                       |
| Packaging dimensions | 194 x 182 x 704 mm                                          |
| Units per package    | 1                                                           |
| Materials            | Aluminium / Acrylonitrile Butadiene Styrene / Polycarbonate |

A lightweight and powerful solution. Coco is a spotlight with a qualitative and uniform light distribution and provides great freedom of light emissions with four opening angles - flood, medium, spot and superspot - a 360° rotation and a 90° tilt. With an exceptional lm/W ratio, it can be fitted with various accessories: anti-glare honeycomb and anti-glare screen, which reduce glare to facilitate visual comfort, and the linear filter, which sets a linear light distribution. Coco invites one to interact with the light through a version with integrated dimmer, enabling one to adjust the desired intensity in each luminaire. Its tunable white version replicates the effects of natural light by regulating the intensity and colour temperature.
